CONSERVATION DISTRICT**

## **ORDER DEADLINE IS MARCH 31, 2018**

Orders are subject to availability. All seedlings must be purchased by placing a prepaid order. If any one species is sold out, the District will refund payment for those seedlings not available. All seedlings are sold with bare roots and their survival rate varies from site to site, from excellent to poor. We strive to provide the most viable seedlings available, and all efforts are made to handle the seedlings in a manner that minimizes root stress. The Perry Conservation District will not insure successful plantings of bare root seedlings, just as our suppliers will not insure seedling survival. The District is not responsible for orders not picked up by 6P.M. on April 12, 2018.
